

Dear participants in the forthcoming GCP GRM,

As indicated in the GRM agenda, on Friday 23<sup>rd</sup> September, morning will be open, afternoon ICRISAT Field trip, followed by a Barbecue dinner at ICRIAT. Please note that there are no dinner arrangements at the hotel.

On morning Friday 23<sup>rd</sup> September, you could choose to participate in the sightseeing tour arranged by our local hosts ICRISAT, have your own plans or participate in the Informatics Meeting (this by invitation only). After sightseeing, the group will proceed directly to ICRISAT for the field trip.

The programme for the day (sightseeing and field trip) is available on our website at <http://www.generationcp.org/grm-home>

Participants are asked to register their morning choice online at <http://www.generationcp.org/grm-choices/> no later than Tuesday 13<sup>th</sup> September 2011. This should take less than a minute of your time since you only need to tell us who you are and click your choice. This will help us to make appropriate logistics arrangements for that day.

Our thanks go to our good hosts ICRISAT-Hyderabad for kindly coordinating the sightseeing tour and Field trip at their station.

Should you experience any problems with registering your choice via the online system, please don't hesitate to let me know.

We look forward to hearing from you soon.

Best regards.
